

Terms of Use & Conditions.

## **Special Instructions.**

Dumpsters used for concrete, dirt, sand, brick, or gravel are only allowed to be filled halfway; the container cannot be filled to the top, Max of 10 tons to avoid an unlawful overweight. Do not place the following materials in the dumpsters: Hazardous Waste (any product labeled toxic, poison, corrosive, flammable, or irritant). Paint Oil Automotive Batteries Tires Electronic Waste (electronic equipment such as computers, TV's) No Infectious Waste (including used needles). The customer is responsible for obtaining all necessary permits or documents in regard to the placement of D & M RDS. Failure to obtain permits, the customer will be liable for any fines or penalties incurred by D & M RDS. Please note that if We are unable to deliver or pick up your dumpster due to **any vehicles or materials** blocking the access you will be charged a \$ 250 trip fee.

## **IMPORTANT:**

**D & M RollOff Dumpster Services LLC. shall not be responsible for any damages during the rental period.** Roll-off Dumpsters will most likely cause some damage, such as scratching and scrapes on the surface they are placed, due to their metal wheels and weight.

To prevent or minimize damages we strongly recommend that the dumpster be placed on a hard surface, we suggest placing various pieces of plywood beneath the dumpster to balance out the weight distribution and to protect your placement area. If placed on the lawn, the dumpster will sink into the ground and cause damage to the lawn surface and or irrigation system at delivery and pick up.

**D & M RollOff Dumpster Services LLC, shall not be responsible for any damages during the rental period.** The client is responsible for all damages to surfaces of the container location area and damages to any property associated, subsurface of any obstruction of route necessary to perform the services contained herein such as overhead objects, electrical wire, overhangs or trees, etc.
